

Para ir do aeroporto ao seu apartamento (e vice-versa...) FR.

1. Do aeroporto ao seu apartment

Quando no aeroporto: ao sair do setor de bagagens, saque dinheiro do caixa eletrônico com seu cartão de crédito, normalmente é assim que você obterá a melhor taxa de câmbio. *Como seu banco pega um fixo+comissão nestes saque, é melhor sacar maiores valores (mas não acima do que você tem necessidade). 1euro=25 coroas*

Em seguida:

- **A solução mais simples- que podemos lhe recomendar : les taxis AAA**

É uma empresa em que você pode confiar, o trajeto aeroporto- centro de Praga sairá em torno de 500 ou 600 coroas no taxímetro.

É o mais simples e isto sempre vai funcionar, até mesmo quando for tarde da noite – funcionam apenas quando o aeroporto estiver aberto.

- **Outra solução, interessante para os grupos de 5 a 8 pessoas : os microônibus Cedaz**

Saia do hall de entrada do aeroporto e dirija-se até os microônibus brancos CEDAZ, a tarifa sairá em torno de 19 euros (480 coroas) independente do local no centro de Praga para 1 a 4 pessoas, 960 coroas por 5 a 8 pessoas. As vezes, será necessário esperar alguns minutos até que o veículo atinja sua capacidade máxima.

Eles funcionam no período em que o aeroporto está aberto.

- **A solução mais econômica : os transportes coletivos – veja na parte 3 deste documento as instruções para todos os apartamentos**
- **Uma outra solução** se quiser que alguém te espere com um cartaz: você pode chamar um táxi da City Taxi pelo telefone +420 257 257 257 (eles falam inglês). Eles precisaram então de sua data de chegada, com a hora e o número do vôo.

Última solução : Nosso motorista estará esperando você no aeroporto e o levará até o apartamento (particularmente recomendado para as reservas de último minuto para aqueles que não dispõem de tempo para receber as chaves pelo correio antecipadamente). O preço é comparado àquele de um táxi portanto é um bom negócio para você. Lembre-se que este serviço não está disponível sistematicamente, dependerá da disponibilidade de nosso motorista.

2. Do apartamento ao aeroporto:

Chame as seguintes empresas de táxi:

- City Taxi pelo telefone (+420) 257 257 257 (eles falam inglês).
- City Taxi por sms em inglês pelo telefone 00420777257257. Escreva : seu sobrenome, endereço onde você quer o táxi, a data e a hora desejada para o táxi. Em alguns minutos você receberá um sms de confirmação com o tipo de táxi que virá lhe buscar.

- Ou então os microônibus Cedaz pelo telefone (+420) 220 114 296 mas você somente poderá telefonar entre 7 e 20 horas, pelo menos duas horas antes de sua partida.

3 . Instruções detalhadas para ir do aeroporto ao seu apartamento pelos transportes coletivos

Ao chegar no aeroporto de Praga, compre o bilhete de transporte "**prestupna jizdenka**" por **26 coroas = 1 EUR** no quiosque de transportes coletivos (à direita saindo do setor de bagagens do terminal 1, à esquerda ao sair do setor de bagagens do terminal 2).

Não se esqueça de pegar tickets de 10 coroas para suas 'grandes' bagagens (com mais de 25 x 45 x 70cm de tamanho), os controladores costumam ser rigorosos com os estrangeiros...

(Se sua intenção for utilizar muito os transportes coletivos pegue um bilhete "turisticka sitova jizdenka" para diversos dias que lhe dá também direito ao transporte gratuito de uma grande bagagem).

Em seguida as estações de ônibus são :

- Terminal 1 : sortez tout droit, la station de bus est a 30 metres devant
- Terminal 2 : sortez tout droit, la station de bus est a 50 metres a droite

Atenção –esta lista contém as instruções para todos os apartamentos- muito cuidado ao escolher o seu ;-)
